Speakers Series

The Importance of Insurance in Emergency Preparedness

An emergency can happen at any time - which is why its important to be prepared. An effective emergency preparedness plan includes adequate financial protection for your home and belongings.

Join Insurance Bureau of Canada's Vice-President Aaron Sutherland, for an overview of the risks facing island residents, how insurance works, and the questions to ask your insurance representative to determine the coverage that's right for you. Bring your questions.

Tuesday, November 13, 7-8:00 p.m.
